I mis-spoke (mis-typed?). Actually I asked him for a copy of the stop work order PADEP issued..

It's the Order we are looking for. I am not sure if there is a complaint.

Ron Furlan at PADEP has asked that we work through him, and I've sent him a request for a copy of the complaint via email. Also gave him a heads up that we'll have the Quickplace up soon and it might be easier to give access to RO folks to post directly.

Judy,
I would try to tap Ron Gilius for this. Ron is the Director of the Bureau of Oil and Gas within PADEP and works out of Harrisburg. His number is 717-772-2199. If you want me to give him a call, let me know. I'll probably need to give him a good reason why we want this.

FYI. Here is a complaint that has been filed against Cabot Oil and Gas Corp and its drilling company. It alleges a number of claims related to hydrofracing. Paragraph 35k references a September 2009 PADEP order requiring Cabot to cease fracturing/well stimulation activities. Can we get a copy of that order?
